
Hinkson Science Team Meeting Minutes

A meeting of the Hinkson Creek Science Team occurred on March 5, 2024, starting at 3:00 PM via Webex call.

Science Team Members

| Name | Organization | Area of Interest or Role | Present/Absent for Meeting |
|-----------------|----------------------------------------------------|----------------------------------------------------|----------------------------|
| Venessa Madden | U.S. Environmental Protection Agency | Water Chemistry/Water Quality | Present |
| Paul Blanchard | Retired | Hydrology/ Water Quality | Present |
| Robert Voss | Missouri Department of Natural Resources | Water Chemistry/Water Quality/CWA Section 303d | Present |
| John Holmes | Allstate Consultants | Civil/Environmental/Water Resources Engineer | Present |
| Robb Jacobson | University of Missouri Columbia, Adjunct Professor | Potamologist | Present |
| Dave Michaelson | Missouri Department of Natural Resources | Aquatic Macroinvertebrate Biologist/ Water Quality | Present |
| Chris Schmitt | Retired/Emeritus U.S. Geological Survey | Aquatic Toxicology | Present |
| Sean Zeiger | Lincoln University | Hydrology and Watershed Modeling | Present |
| Alba Argerich | University of Missouri Columbia | Water Quality/Stream Ecology | Present |

Other People in Attendance: Alec Brown, Lynne Hooper, Nicki Rinehart, Ted Haeussler, Jon White, Cody Luebbering, Tim Rielly, Madison Stieg, Michele Woolbright

Minutes

The minutes for February 2024 were approved with changes.

Discussion Items

1. Draft Science Strategy Executive Summary review
 - a. Robert provided a draft for the group to review. The group provided feedback. Robert will make additional edits and post to basecamp for review.

2. Chloride Monitoring Proposal review
 - a. Geosyntec provided an updated proposal for collection of chloride, sulfate, and hardness samples at the specific conductance sonde locations maintained by Geosyntec. The Science Team approved a recommendation in support of the proposal. Robert will finalize the recommendation and send to Boone County.

3. Open Topics
 - a. Tim Rielly mentioned the Riparian committee could use additional support from the Science Team and encouraged members of the Science Team to attend the meetings occasionally.
 - b. MoDOT has announced plans to revamp I-70. Robert will reach out to MoDOT to see if someone could join a future meeting to discuss potential impacts and BMPs from the expansions to I-70.

Next Meeting

The next meeting for the Science Team is scheduled from 3 pm to 5pm on April 2, 2024, via web interface call.
