

**HINKSON CREEK COLLABORATIVE ADAPTIVE MANAGEMENT**  
**ACTION TEAM Meeting Minutes**  
**October 16, 2015**  
**9:00 am**  
MU General Services Building 194B

Action Team Members Present: Erin Keys (proxy), Tom Wellman (proxy), Nicki Fuemmeler, Jon White, Bill Florea

Staff Present: Brett O'Brien, Ted Haeussler, John Persing, Lynne Hooper

1. CALL TO ORDER

The meeting was called to order at 9:07 am by Erin Keys.

2. APPROVAL OF AGENDA

3. APPROVAL OF MINUTES FROM LAST MEETING – Minutes were not available, will need to be approved at the next meeting.

4. AGENDA ITEMS

- EPA Tour Recap

Everyone in attendance was in agreement that the EPA Tour was a success. Since the EPA Tour was officially a CAM meeting, minutes for the event still need to be produced and will consist of an outline of the sites visited.

- Regulations report- Lynne

Lynne reported her research into relevant regulations regarding our options for delisting/relisting/reclassification all or segments of Hinkson Creek. Discussion was had regarding the impacts that defining a backwater zone would have on monitoring and reference streams. It was suggested that a study be proposed to better determine the backwater zone ranges during different flood stages. Consider an investigation of the status of the lower reach of Hinkson.

- Potential projects to propose

Tom presented three possible projects. The proposed projects were: Trash BMP Retrofit, Ann and Walnut Bioretention, and Roadside Salt Management with Vegetation. It was decided to propose the Trash BMP Retrofit and the Ann and Walnut Bioretention to the Stakeholders. The Roadside Salt Management with Vegetation project was received favorably by the Action Team and will be considered for future implementation.

- Regulatory Update - None

5. ANNOUNCEMENTS / COMMENTS

6. AGENDA ITEMS FOR NEXT MEETING – November 20, 2015

7. ADJOURN Meeting adjourned at 10:46 a.m.
